D.O.P-18027/04/2020-P&P

You are aware that M/o Rural Development is facilitating conduct of Mission Antyodaya Survey, 2020 by all the States and UT Administrations. I appreciate the efforts made by the States/UTs, in conducting the MA Survey and the progress made so far despite the trying times that we are facing due to Covid 19 pandemic. The Survey has made considerable progress in most of the States; among all GPs (2,65,666) the Survey was completed in 95 per cent as on 12.02.2021. Further, of the total GPs, 81 per cent have completed BDO-verification and 26 per cent have done Geo-referencing as on 12.02.2021. I congratulate all states and UTs for their work.

Though the timeline of completing the Survey ended on January 31, 2021, some States/ UTs are lagging much behind and are yet to make considerable progress. The progress in Geo-referencing, a new feature added in this year's Survey, is very low in most of the states. Barring some states/UTs like Kerala, Haryana, Sikkim, Tripura, West Bengal, Andaman & Nicobar Islands and Dadra & Nager Haveli, most of the states/UTs didn't make much progress in Geo-referencing/Geo-Tagging. The status of progress of the States/UTs is enclosed for reference.

I therefore, request you to take necessary action and direct the officers concerned to continue with the work on MA Survey 2020 and fast track its completion, particularly Geo-Referencing, till further communication is made in this regard.

It is further informed that a Review Meeting with the lagging States/UTs is shortly going to be held through Video Conference under the chairmanship of Secretary, Rural Development to know the reason of such delay and to chalk out the strategy for expediting the survey.

Yours sincerely  
Sd/-  
(Dr. Biswajit Banerjee)
