Dated : 27th September, 2023

D.O. No.P-18027/01/2023-MA

Dear Sir / Madam,

As you are aware, Mission Antyodaya Survey, 2022-23 was launched by Hon'ble Union Minister of Rural Development and Panchayati Raj on 10th February, 2023 for collecting data on 216 data points pertaining to 182 indicators of 21 sectors in rural areas all over the country. As on date more than 99% of the Survey has been completed.

2. However, before finalization of MA Survey, 2023 data, it is felt to be desirable to re-verify the geo-tagged data in respect of a few important physical assets in villages collected by the surveyors in the survey exercise so as to ensure correctness of the collected data. To meet this end, sample data of villages selected from the States/ UTs has been culled on 9 indicators pertaining to assets namely (i) availability of warehouse for food grain storage, (ii) availability of Veterinary Clinic or Hospital, (iii) whether village connected to all weather road, (iv) availability of Panchayat Bhawan, (v) availability of a brick and mortar bank branch, (vi) availability of Post office/Sub-Post office, (vii) availability of Sub Center, PHC, CHC, (viii) availability of Railway Station, (ix) availability of electricity for domestic use.

3. I shall be grateful, if the data of villages of the States/UTs, listed in the annexure, is re-verified by the concerned officials at District / Block or GP level of the States/UTs and updated in the portal which is kept open for the same till 10th October 2023. The State officials can also update the data of other geo-tagged physical assets as per requirement. The MoRD officers would also be visiting few villages to ensure that the exercise of re-confirmation is done effectively.

With regards,

Yours sincerely,

(Usha Pralhad Pol)
